What is JA Maker Bowl?

It's a fun way to raise funds to support Junior Achievement (JA)! Each 5 person team raises \$500 to provide JA programs to local youth. Team members meet at Westgate Lanes on September 13th for two fun-filled games and an opportunity to win prizes. It's a great team building and morale-boosting event for any company or organization.

What is Junior Achievement?

JA inspires and prepares young people to succeed in a global economy. JA of Central Texas is a locally-governed, locally-funded non-profit organization creating better futures for young people through economic empowerment. JA's proven programs in entrepreneurship, financial literacy and career readiness help K-12 students make a connection between what they are learning in school and how it can be applied in the real world.

What is the Connection to Makers?

JA of Central Texas is the largest local provider of youth entrepreneurship programs with 350 teens creating, starting and running a real business in 2017 through the *JA Company Program*®. This experience fosters creative and innovative thought processes - hence the Maker Connection.

Any business can become a JA Maker Bowl Sponsor. It's a great way to get involved and gain exposure for your organization. Being a sponsor doubles the fun at Maker Bowl! For information about sponsor benefits and how to sign up, contact us at bowl@jacentex.org.

Company Coordinator

Recruit Team Captains and organize company fundraising. Make sure the highest ranking and most enthusiastic employees in your company get involved and lead others to join. Select payment method for the \$125 Team Registration Fee.

Team Captain

Recruit and lead four bowlers for your team of five and make sure each bowler reaches their \$100 goal. Register your team.

Bowlers

Raise a minimum of \$100 by asking friends, family, and businesses you frequent to support JA! Set up a fundraising page on First Giving.

1. Team Captains gather a team of five, select a team name and a bowling shift.
2. Team Captains register their team at <http://bit.ly/RegisterJAMakerBowl2018> and set up their own fundraising page.
3. Team Captains invite the members to join the team by sending them the link to the registration page: <http://bit.ly/RegisterJAMakerBowl2018>. Team Captains also send members their team name.
4. Bowlers follow the Bowler Instructions on the registration page to join the team and set up their individual fundraising pages.
5. Team Captains and Bowlers share their pages with family, friends and colleagues to raise a minimum of \$500 per team.
